

Falcon Leisure Clubs

Dear Students:

This spring, we will have a series of clubs for primary students that will meet from 3:30-4:30 once a week for eight weeks. In order to participate, you must have your parent's or guardian's permission and be able to arrange for transportation home after each session. **Children must be picked up by 4:35. If a student is picked up after 4:40 pm, a \$15 late fee will be assessed. Students who are picked up late a second time will be dropped from the club roster for failure to follow this policy.**

In addition, we will also be offering some clubs during the lunch/recess period. This will be noted in the descriptions. Below you will find a brief description of the clubs being offered, the grades eligible to participate, and the faculty member sponsoring the activity in case you have any questions. A lottery will be held if more students sign up than there are spots in the club. **All forms must have a minimum of two different choices in order to be processed.** You may preference up to three clubs, but your request **will not** be considered with only one choice. Every effort will still be made to get you in your first choice. Return the form to your teacher or the Office by **Friday, January 26th**. Please see us if you have any questions!
