

Falcon Leisure Clubs

Dear Students:

This fall, we will have a series of clubs that you can participate in from 3-4 pm, which will end in time for you to catch the Activity Bus. In addition, we will also be offering some clubs during the lunch/recess period and before school. Below you will find a brief description of the clubs being offered, the grades eligible to participate, and the faculty member sponsoring the activity in case you have any questions. A lottery will be held if more students sign up than there are spots in the club. **All forms must have a minimum of two different choices in order to be processed.** You may preference up to three clubs, but your request **will not** be considered with only one choice. Every effort will still be made to get you in your first choice. Return the form to your Core teacher or the Office by **Friday, September 14th**. Please see us if you have any questions!

Mr. Lopatka & Mrs. Wagner

Cardio Club (7th-8th Grade): Start your weekend with an active cardio circuit before school on Friday mornings with Mr. Berglund & Ms. Cronin!

Movie Club (5th-8th Grade): Come join your friends on Tuesdays during lunch and recess to hang out while watching a movie and enjoying a tasty treat! The group will vote on and pick a different movie to watch each week. This club meets during lunch/recess on Tuesdays, is sponsored by Ms. Klein, and will meet in Room 45. Hope to see you all there!

Lunchtime Art Club (5th-7th Grade): Want to keep making artwork outside of art class? Come on down to Ms. Creswell's art room for a lunchtime art club! Painting, sculpture and more will be available. Participants will get a sketchbook to keep. Lunchtime Art Club will meet during lunch/recess on Tuesdays.

Eco Club (5th-8th Grade): The Eco Club will be a grassroots group dedicated to making Fairview more environmentally friendly. Through student-driven ideas, the Eco Club will seek out ways to encourage recycling, increase awareness of energy use, and care for Fairview's green spaces. Eco Club will meet with Mrs. McBean in Room 43 during lunch/recess on Wednesdays.

Career Club (5th-8th Grade): Each week we will focus on a different career. Students will get a first-person account of what it means to be in a certain profession including: schooling requirements, general responsibilities/ routines, and benefits/struggles in that field. We're hoping to be able to get members of the community to come in and present information, as well as, guide students in a mock activity that relates to their profession. Career Club will meet on Thursdays after school with Ms. Strauss in Room 110.

Publishing Club (5th-8th Grade): Publishing Club offers students the opportunity to develop their own creative writing. In the Fall we focus on various types of poetry and then we move into short stories. We will also continue to sponsor school-wide creative writing contests. Students will use their chromebooks to peer edit and comment on each other's writing so they can polish their work to submit to various magazines or contests for publication. All students will have their work published at the end of the year in a club-created magazine. Publishing Club will meet on the following dates with Ms. Toni: 10/24, 10/31, 11/14, 11/28, 12/5, 12/12, 12/19, 1/9, 1/16, 1/23, 1/30, 2/6. If you would like to join Publishing Club, please fill out the Publishing Club form that is attached.
